The Cattleman's Kind

- The \$45,000 top selling, top performing bull in the 2003 Hoff Scotch Cap Angus Sale.
- He is out of a first calf dam from a herd known for: High Growth - Big Volume - Fast Gaining cattle.
- First Edition will add pounds and \$\$\$ to your calves at weaning time and at marketing time.
- His calves come easy with exceptional length and thickness, and are extremely fast gainers.
- First Edition is rated as one of the All Time Greatest Bulls of Angus History in the book "Angus Legends", volume 1.
- In our minds, First Edition could be the "Best Bull" ever produced.
