- ___ Bride and groom leaving reception area (birdseed, rose pedals)
- ___ Bride and groom in car as it goes in to the distance.

My wedding list is meant to be used only as a guide, not the rule. Many of the above shots are not needed by some couples, yet others want many more!

When taking the large group shots, I prefer to start with the largest group then work down to the smaller groups. Makes for less movement and adjusting of the bride's gown.
